- Minshew, R.,** DePierro, J., D’Andrea, W., & Pole, N. (2010). *“Too Much, Too Little, and Just Right: Attentional Biases, Implicit Memory, and Physiological Reactivity in Complexly Traumatized Women*. Poster presented at the International Society for Traumatic Stress Studies, Montreal, Canada.

### **Clinical Experience**

**Private Practice.** (Current). Providing individual and group counseling for transgender and gender diverse adults. Practice focuses on symptoms related to adverse life experiences and PTSD. Supervision of pre-licensure (IntraSpectrum Counseling) and student (The New School for Social Research) trainees; mentorship for licensed individuals seeking WPATH GEI certification.

**Postdoctoral Fellow.** (August, 2015-July, 2016). Hamilton College. Providing clinical services in the counseling center of Hamilton College. Emphasis on working with first generation students of color, LGBTQ+ students, and survivors of childhood maltreatment. Member of the Trans Task Force. Developed and delivered programming for RA’s and Minds for Change, and Rainbow Alliance. Was awarded the “Silver Shield” diversity award by Student Diversity Committee.

**Psychology Intern.** (July, 2014-June, 2015). Northwestern Feinberg School of Medicine. Providing clinical services through Northwestern Memorial Hospital, and via Feinberg’s affiliation with Center on Halsted, the Midwest’s largest LGBTQ community center. Providing one-on-one and group psychotherapy with a diverse population in hospital and community mental health settings. Provided clinical supervision to first-year trainees.

**Psychology Extern** (September, 2013-June 2014). University of Chicago's Student Health Center. Providing one-on-one and group psychotherapy to undergraduate and graduate populations in a high-stress, urban educational institution.

**Psychology Extern.** (September, 2012-August, 2013). St Luke's Hospital Women's Health Project. Providing one-on-one and group psychotherapy to survivors of trauma with co-morbid substance use in outpatient clinic.

**Psychology Extern.** (September 2011-August, 2012). Beth Israel Hospital General Inpatient Unit. Providing group therapy to inpatient population, drafting process notes, and engaging in group supervision.

### **Research Positions**

**Lab Manager.** (2010-2012). Trauma and Affective Psychophysiology Lab, New School for Social Research. First lab manager of an emerging psychophysiology lab.

**Research Assistant.** (July, 2014-June, 2015). IMPACT: The LGBT Health and Development Program. Analysis of large cohort, multi-wave, LGBTQ public health data. Manuscript preparation and operational support.

**Research Assistant.** (June 2012-June 2013). MRI Unit of New York State Psychological Institute, supervisor Dr. Andrew Gerber. Diagnostic interviewing, assisting participants and lab technologists during MRI protocol, and pre-processing MRI data.
